Simplicity Recalls Cribs Due to Fall, Entrapment and Choking Hazards

WASHINGTON, D.C. - The U.S. Consumer Product Safety Commission, in cooperation with the firm named below, today announced a voluntary recall of the following consumer product. Consumers should stop using recalled products immediately unless otherwise instructed.

Name of product: Nursery-in-a-Box Cribs

Units: About 40,000

Manufacturer: Simplicity Inc., of Reading, Pa.

Hazard: The assembly instructions provided with the cribs incorrectly instruct consumers how to attach the crib's drop side. If improperly installed, the drop side can disengage from the crib, posing fall and entrapment hazards for the child. Additionally, the metal locking pins on the drop side can pop off, presenting a choking hazard.

Incidents/Injuries: CPSC is aware of an incident in which the crib's drop side, which was installed upside down, fell from its upright position and the metal locking pins became dislodged. Simplicity received a report of wrong instructions being packaged with the crib.

Description: The recalled cribs are part of the Nursery-in-a-Box furniture set which also includes a changing table and clothing organizer. The cribs are cherry, white or natural in color. Only model numbers 8910 and 8050 with serial numbers 3005 HY through 0806 HY are included in this recall. The model and serial numbers are printed on an envelope permanently attached to the mattress

support. "Simplicity," model and serial numbers are also printed on a label on the bottom rail of the headboard.

Sold at: Department stores and children's product stores from August 2005 through May 2007 for about \$200.

Manufactured in: China

Remedy: Consumers should immediately check the crib to make sure the drop side is securely fastened and correctly installed. Contact Simplicity to receive correct assembly instructions, or consumers can download the assembly instructions at the firm's Web site, www.simplicityforchildren.com. Consumers can view a video on the firm's Web site showing the proper assembly of the drop side. If the drop side is not properly installed, consumers should stop using the crib until it is assembled correctly.

Consumer Contact: For additional information, contact Simplicity at (800) 784-1982 anytime, or visit the firm's Web site at www.simplicityforchildren.com

[Send the link for this page to a friend!](#) The U.S. Consumer Product Safety Commission is charged with protecting the public from unreasonable risks of serious injury or death from more than 15,000 types of consumer products under

the agency's jurisdiction. Deaths, injuries and property damage from consumer product incidents cost the nation more than \$700 billion annually. Globe Fire Sprinkler Corp. Recalls Dry Fire Sprinklers ***Model J Heads Can Fail to Operate During a Fire***

WASHINGTON, D.C. - The U.S. Consumer Product Safety Commission, in cooperation with the firm named below, today announced a voluntary recall of the following consumer product.

Name of Product: Globe Model J Series Dry Fire Sprinklers

Units: About 300,000

Manufacturer: Globe Fire Sprinkler Corp., of Standish, Mich.

Hazard: The sprinkler heads can deteriorate over time and fail to operate in a fire.

Incidents/Injuries: Globe has received five reports of sprinklers that failed to operate as intended during a fire. Globe has received no reports of injuries caused by sprinklers failing to operate.

Description: Model J Series dry fire sprinklers come in pendent, upright, and sidewall configurations. The name "Globe," the letter "J" and the year of manufacture (1990 through 1999) are embossed on the frame of each sprinkler. These dry sprinklers were designed to be installed in areas of buildings where the sprinklers or water supply pipes may be subject to freezing, such as unheated attics, freezers and coolers, parking garages, porches and

warehouses.

Sold by: Fire protection contractors nationwide from January 1990 through December 1999 for between \$27 and \$36 per sprinkler head.

Manufactured in: United States

Remedy: Contact Globe immediately to arrange to receive replacement sprinkler heads at a reduced cost of \$9 per sprinkler head.

Consumer Contact: For additional information, contact Globe at (800) 248-0278 between 8 a.m. and 5 p.m. ET Monday through Friday, or visit the firm's Web site at www.globesprinkler.com and click on the "Recall" link.

First Birthday Party Hats Recalled by Creative Expressions Due to Choking Hazard

WASHINGTON, D.C. - The U.S. Consumer Product Safety Commission, in cooperation with the firm named below, today announced a voluntary recall of the following consumer product. Consumers should stop using recalled products immediately unless otherwise instructed.

Name of Product: Children's Party Hats

Units: About 43,100

Distributor: Creative Expressions, of Indianapolis, Ind.

Hazard: Foil fringe glued to the bottom edge of the party hats can detach, posing a choking hazard to young children.

Incidents/Injuries: No incidents or injuries have been reported.

Description: The paper party hats involved in this recall measure 6.5-inches high by 4.5-inches wide and are cone shaped. The blue paper hats have "1st" printed on the front and blue foil fringe glued to the bottom.

Sold at: Party and discount department stores nationwide from February 2005 through May 2007 for about \$4.

Manufactured in: China

Remedy: Consumers should discard the hats immediately and contact Creative Expressions to receive a full refund.

Consumer Contact: For additional information, contact Creative Expressions at (800) 428-5017 between 8 a.m. and 4:30 p.m. CT Monday through Friday, or visit the firm's Web site at www.ceg4party.com

Far East Imports Recalls Fireworks Due to Eye Injury Hazard

WASHINGTON, D.C. - The U.S. Consumer Product Safety Commission, in cooperation with the firm named below, today announced a voluntary recall of the following consumer product. Consumers should stop using recalled products immediately unless otherwise instructed.

Name of Product: 300 Shot Saturn Missiles Battery Fireworks

Units: About 13,600

Distributor: Far East Imports, of Pittsburg, Kan.

Hazard: These fireworks devices can travel in an unexpected and dangerous direction, which could pose eye and other injury hazards to bystanders.

Incidents/Injuries: None reported.

Description: The recalled fireworks are a 200 gram multi shot device that consists of 300 individual missiles with a single fuse for ignition. The device measures 2 1/2" by 23 7/8" by 3 1/4" and its packaging has a red and yellow label and the words "Saturn Missiles-Battery-300 Shots Finale" printed on it.

Sold by: Boomer Distributors nationwide from April 2006 through July 2006 for \$10.

Manufactured in: China

Remedy: Consumers should immediately stop using this fireworks and contact Far East Imports for a replacement product.

Consumer Contact: For additional information, contact Far East Imports at (800) 766-1277 between 8 a.m. and 5 p.m. CT Monday through Friday, or visit the company's Web site at www.fareastimporting.com

Children's Necklaces Recalled by GeoCentral Due to Lead Poisoning Hazard

WASHINGTON, D.C. - The U.S. Consumer Product Safety Commission, in cooperation with the firm named below, today announced a voluntary recall of the following consumer product. Consumers should stop using recalled products immediately unless otherwise instructed.

Name of Product: Butterfly Necklaces

Units: About 19,000

Importer: GeoCentral, of Napa, Calif.

Hazard: The metal clasp on the necklace contains high levels of lead. Lead is toxic if ingested by young children and can cause adverse health effects.

Incidents/Injuries: None reported.

Description: The recalled necklaces consist of a multi-colored butterfly pendant on a multi-colored seed bead 16-inch necklace. The product's packaging includes a white hang card with "GeoJewelry" printed on the front underneath "GeoCentral."

Sold at: Souvenir and gift stores nationwide from January 2006 through May 2007 for about \$2.

Manufactured in: China

Remedy: Consumers should immediately take the recalled jewelry away from children and return them to store where purchased for a full refund or contact GeoCentral for information on how to obtain a full refund.

Consumer Contact: For additional information, contact GeoCentral at (800) 231-6083 between 9 a.m. and 4 p.m. PT Monday through Friday, or visit the firm's Web site at www.geocentral.com

Asko Cylinda Recalls DW95 Series Dishwashers Due to Fire Hazard

WASHINGTON, D.C. - The U.S. Consumer Product Safety Commission, in cooperation with the firm named below, today announced a voluntary recall of the following consumer product. Consumers should stop using recalled products immediately unless otherwise instructed.

Name of Products: Asko DW95 Model Series Dishwashers

Units: About 130,000

Manufacturer: Asko Cylinda AB, of Vara, Sweden

Importer/Distributor: AM Appliance Group Inc., of Richardson, Texas

Hazard: An electrical component in the dishwasher can overheat, posing a fire hazard to consumers.

Incidents/Injuries: The firm has received 21 reports of dishwasher fires. Product and property damage has been reported. No injuries have been reported.

Description: The recalled dishwashers include the ASKO model series DW95 with model numbers 1355, 1375, 1385, 1475, 1485, 1555, 1585, 1595, 1655, 1805, 1885, and 1895 manufactured from January 1995 through April 2000. The model number, serial numbers and manufacture date are printed on the name plate on the right interior side of the dishwasher door. Asko dishwashers manufactured after April 2000 are not included in the recall.

Sold by: Major kitchen appliance distributors/dealers nationwide from January

1995 through April 2000 for between \$750 and \$1,300.

Manufactured in: Sweden

Remedy: Consumers should stop using the dishwashers immediately and contact Asko to arrange for a free inspection and repair or to participate in a rebate program.

Consumer Contact: For additional information, contact Asko toll-free at (866) 309-9921 between 10 a.m. and 7 p.m. CT Monday through Friday, or visit the firm's Web site at www.askousa.com
